BLOOD KIN

A Novel of the Half-Light City

M.J. Scott

TRUST CAN BE THE STRONGEST WEAPON IN WAR—OR THE GREATEST MISTAKE...

Imagine a city divided. A city where human and Fae magic rests uneasily next to the vampire Blood and the shapeshifting Beasts. A city where a fragile peace is brokered by a treaty that set the laws for all four races...a treaty that is faltering day by day.

Holly never planned on becoming a thief and a spy, but options are limited for the half-breed daughter of a Fae lord. She also never expected to stumble across a Templar knight in her part of the city. Guy DuCaine is sworn to duty, honor, and loyalty—all the things Holly is not. But when treachery and violence threaten both their worlds, learning to trust each other might be the only thing that saves them—and their city.
